Our Pledge To You

- Provide the highest level of customer service with courtesy, professionalism, and gratitude
- Offer a wide variety of quality products at the most competitive prices
- Design and build products that effectively fulfill our clients' unique needs
- Work with products that are durable, safe, and sustainable
- Deliver and install our products with responsiveness, expertise, and accuracy
- Support local and responsible manufacturing

Committed

We are equally proud of our efforts to source and produce over 90 PERCENT of our furnishings within North America. Local manufacturing also substantially reduces our carbon footprint. And not only is the quality better than most options, but we also have better control over production times and replacement parts.

Design

Interior Resources can help you define and develop your vision for any space.

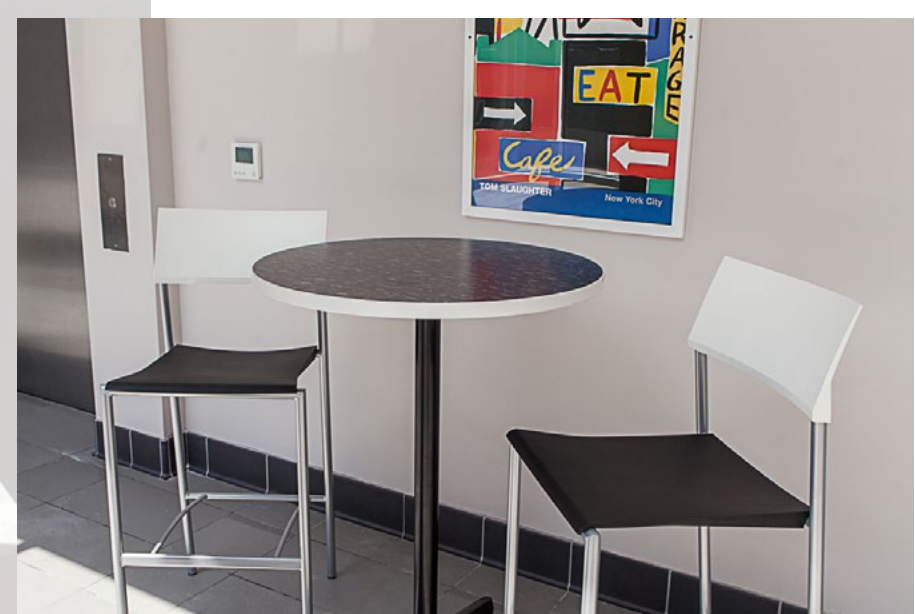

Dining

Unique

Our business model allows us to provide our clients with quick ship capabilities and custom designed products based on need and environment.

Community

- Promote a sense of community
- Provide multipurpose activity
- Allow for social interaction
- Encourage collaboration

Bedroom

Environment

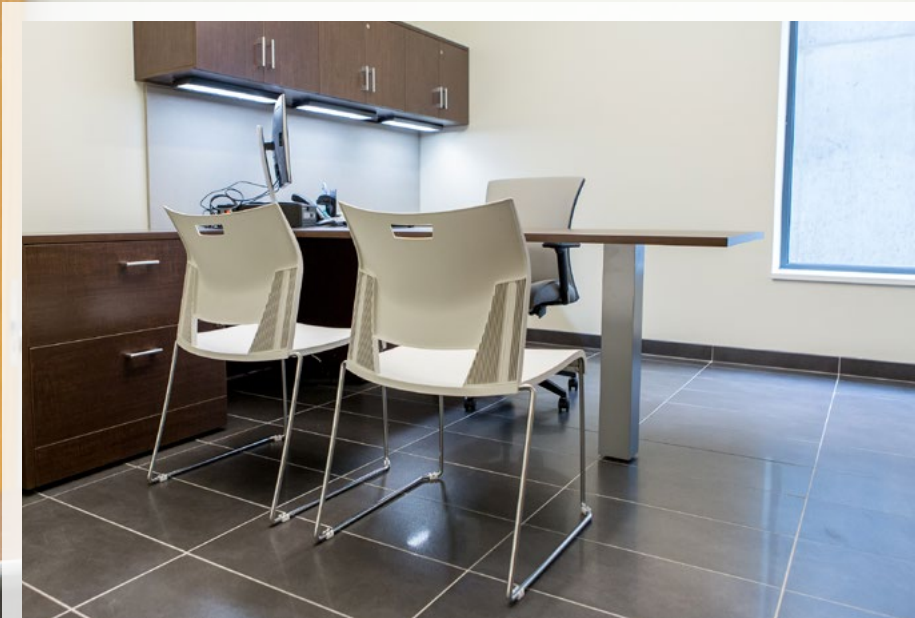

When using purposeful design, visual space is important to attract and capture attention, promote activity, and ultimately contribute to an environment that visually promotes wellness and health.

Office

Integrated

Today's workspaces need to be flexible to meet the realities of evolving office culture. Our goal is to optimize spaces that meet staff needs and accommodate current and future technology.

Outdoor

- ### Keys To The Outdoor Environment
- Promote both passive and active recreation areas
 - Provide integrated seating for both individual and communal use
 - Appeal to all necessary age demographics
 - Green spaces assist in both cognitive and physical development
 - Create visibility to outdoor spaces from the interior to increase awareness and use

Design

Design Services:

- Space planning
- Scaled floor plan layouts
- Conceptual renderings
- Color coordination for all materials and finishes
- Design boards for project overview
