## SHAKER CHERRY SPECIFICATIONS:

### SHAKER CHERRY SPECIFICATIONS:

- All drawers are constructed using a French (sliding dovetail) except understorage drawer pedestals
- All drawer boxes are 3/4" solid Eastern White Pine
- Full extension ball bearing drawer glides rated at 100lbs. (pull force)
- Bed rails utilize German hardware which creates a rigid and easy-to-assemble connection
- All bed slats are made from hardwood (twin beds from White Pine).
- Desks feature a drop-down keyboard drawer front
- All queen size beds come with center support
- All mirrors are 1/4" thick beveled glass

### CHERRY WOOD FEATURES:

- Unique characteristics such as pin knots, sap streaks and gum pockets.
- Pine knots are small dark clusters where tiny branches may have grown but failed to mature.
- Sap streaks show up in areas where the tree may have carried it's food and water.
- Gum pockets are caused by the oxidation of minerals absorbed by sap-bearing trees.
- Fresh sawn (new) cherry is lighter in color and will darken with age
- Within 12 months, the wood should achieve a rich, reddish even textured patina, concluding it's maturation.
