AMHERST SPECIFICATIONS:

CONSTRUCTION:

- 3/4" Panels include a minimum of 45lb density pressed wood balanced with a backer and HPL decorative side.
- 4 sided French dovetail drawer stock (standard).
- 5 sided English dovetail drawer stock (available at upcharge).
- Casagood drawers feature a full length hidden full release pull profile.
- Full extension ball bearing drawer glides rated at 100lbs (pull force).
- Laminate panels are mechanically fastened to a 1"x 1" solid wood frame at multiple levels to keep cabinet rigid and square.
- All PVC edges are custom matched in color to the laminate selected. Thickness varies from .018" to 3MM depending on application.
- Back panel of each unit is a finished 1/4" Corelite board, unless specified otherwise.
- All units include a solid wood base with institutional grade polypropylene glides.
- Tops and drawer bodies are replaceable.
